

LOCUM FUNERAL DIRECTORS required for work throughout Queensland.

Working as a locum is an ideal way to realise the satisfaction of living in and serving a new community, whilst helping your colleague have a much needed break away from their business.

Flexible and Tailored

Completing the application form will provide us with your skill range, availability and locations/areas you are open to serve within. Remuneration and accommodation will be negotiated between the Locum applicant and the Funeral Home owner.

Request an application from Secretary Wayne Bell, to enable a listing on the Queensland Funeral Directors Association Ltd Locum Data Base.
